

Brentwood Fire Department

Directive

From the Office of the Chief

2015-02

Date: August 18, 2015
From: Chief William Peterson
To: Company Line Officers
Subject: Class A Fire Fighter Rehabilitation

Effective Immediately, at all alarms that the need exists for the staging of an EMS agency, any Class A Firefighter that has been working at an alarm for an extended period of time, has had two SCBA bottle changes, and at the discretion of the IC, must be evaluated by the EMS agency that is on scene. Once evaluated by the EMS agency and the Firefighters vital signs are within the evaluated Firefighters normal limits, only then can the medically evaluated Firefighter resume His/Her firefighting duties.
